

# DEDICATIONS

The Foundation supports the District with offering **bench, tree, and brick dedications**. Dedications help enhance and strengthen the quality of life within our community parks. A percentage of dedication sales are donated to the Foundation, which in turn, goes back into the Camarillo community to enhance park amenities and programs.

If you are wishing to commemorate an anniversary, honor a loved one, celebrate a new birth, or improve your community, we hope that you will consider one of these valuable options for your contribution and give a lasting gift to the entire community.

## DEDICATION MAINTENANCE/CARE

- The Foundation partners with PVRPD District staff to perform routine maintenance but cannot guarantee the future condition of the dedication.
- The Foundation and PVRPD District staff will make every effort to repair vandalized dedications. If damage is irreparable, the Foundation has the right to remove and/or relocated the dedication.
- If damage to engraved bench boards, the Foundation will split the cost once with the donor to replace the damaged boards. Any future damage, the donor is responsible for replacement costs if desired.
- If a tree dies within the first year of being planted, the Foundation will replace it once at no cost to the donor.

## RESTRICTIONS

- Donors may request a park location to place the dedication, but it is not guaranteed based on the site, available space, soil, etc.
- Flowers and other memorabilia are not allowed to be left on or near dedication. If found, they will be removed.

*Create a lasting memory!*

## PURCHASE A DEDICATION

1. Complete the form at [pvrpfoundation.org](http://pvrpfoundation.org)
2. A representative will contact you to review and schedule a site visit at the location of choice and/or approved location prior to purchasing.

# BENCHES

Benches offer a great place to sit and observe nature or a gather with friends, family, or members of the community. Benches benefit park visitors and create a lasting impression on everyone's heart.

Benches are made from durable recycled plastic made to last a lifetime of 50 years, but due to the high use in public parks there is no guarantee damage or vandalism will occur. Refer to page 3 for maintenance/care.

## SPECS

Dimensions: 72" L x 25" W x 32" H

# TREES

---

Trees can create refreshing urban forests that our parks offer to local residents. We invite you to consider adding to our leafy collection with purchasing a tree dedication. Each tree is a gift to our community that enriches the natural environment, offering shade and beauty.

## SPECS

There is no specific tree height per each gallon size. Trees are based on availability.

## TREES

- There is no specific list of tree types. Trees are selected based on the park, location, needs, and tree availability.
- The Foundation partners with PVRPD District Park professionals to review the appropriate tree type(s) during a scheduled site walk with the donor.
- Tree plantings take place in the Spring, Fall, and Winter (no planting in June-August).

## COST

Size	Price
15" Gallon	\$300
24" Gallon	\$600

## PLAQUES

- Plaques, signs, or tags are not included and cannot be additionally purchased or placed by the donor.
